### **IMMEDIATE RELIEF FOR MIGRANT WORKERS WHO ARE ON LOCK-DOWN-PANIC-EXODUS**

Lakhs of migrant workers have begun to go on panic-exodus to their home-villages from industrial and construction areas in and around big cities in the country especially from Delhi-Faridabad-Gurgaon-Noida-Gaziabad megalopolis that spreads over the states of Delhi, Haryana and Uttar Pradesh.

This is the outcome of utter lapse of advance planning necessary before lock-down committed by Modi Government. It is causing heavy cost of human tragedy of hunger and misery.

We demand the Union and state governments concerned for immediate relief of food and shelter for these workers and adequate transport for those who wish to move on to their villages and consequent help of the same kind at their home villages on war footing on a scale of national disaster management.
