

MARXIST LENINIST PARTY OF INDIA (RED FLAG)

CENTRAL COMMITTEE

Cochin, 9th December 2020

It is clear from the failure of the latest round of discussion between the fighting peasant organisations and the union home minister that the Modi government is not ready to settle the basic questions raised by the farmers. The regime has proven that it has become a government of the capitalist corporates, by the corporates and for the corporates. This negative transformation is utterly destructive to the republic. This is the situation after the whole nation showing solidarity with the fighting farmers.

So, the moment demands that all the people have to move united ahead till victory is achieved.
