CENTRAL COMMITTEE

Cochin, 12th January 2021

Repeal the Anti Farmer Farm Laws

The Supreme Court Order with regard to the Farmers' Struggle does not provide any solution to the demands of the fighting Farmers. The members of the Committee proposed by the Apex Court had in effect supported the new Farm Laws. Because of this very reason the Farmers' organisations do not agree to accept this committee. The only solution is to repeal the said laws.

So, we demand the Union Government to repeal the new Farm Laws in order to safeguard the interests not only of the peasants, but also of the whole country.
