Comrade Vilas Sonawane 69, passed away in Pune today. He was state secretary of CRC CPI (ML) in Maharashtra from early 1980s to 1987. Before joining the revolutionary movement he was the state secretary of Maharashtra unit of the SFI.

Though he left the party after the 1980s, he was associated with political and social activities until the end and was a fellow traveller of our revolutionary movement.

We pay tributes to the departed comrade and condolences to his dear and near.
